

# 2022 SC PLT Facilitator Refreshers

Come join your fellow SC Project Learning Tree Facilitators for a reunion and refresher either virtually on July 7 or in-person at Meetze Farms on July 26! You will be updated about the PLT program, get trained to lead PD events in the new “Trees & Me” early childhood activity guide, and enjoy food and fellowship! 2021 Facilitators will also be recognized for their accomplishments.

You will also receive a tour of Meetze Farms and learn how Mike sustainably manages his property for timber production, recreation, carbon sequestration, aesthetics, and many other environmental benefits. Mike was recognized as the 2013 Tree Farmer of the Year from the American Tree Farm program. You can learn more about Meetze Farms on the “Land of Legacy” podcast series produced by the SC Tree Farm program: <https://www.sctreefarm.org/>

**You won't want to miss this fun day!!!**

All facilitators who attend will receive a copy of the “Trees & Me” guide to use during their PD events!
